

HYBRID Summer Institute for Teachers 2023

CTAC is offering the option for either in-person Summer Institute or the option to virtually Zoom in.

Central Texas Autism Center (CTAC) is pleased to announce an Intensive Training for Teachers of students with Autism and Other Developmental Disabilities. We are offering a week-long course that will include lectures/presentations and videos of ABA therapy sessions. The workshop is geared toward *any* professional working with Early Childhood, Elementary and Middle School aged children with special needs. This workshop will focus on the science of Applied Behavior Analysis (ABA) with an emphasis on B.F. Skinner's Verbal Behavior. This course will help school districts fulfill the standards set forth in NCLB and the Texas Autism Supplement. The following objectives will be covered in each Session:

- Conducting Functional Behavior Assessments (FBA) and Writing Effective Behavior Intervention Plans (BIP)
- Choosing a Response Form for Non-Vocal Children
- Using Criterion referenced assessments and curriculum guides, the VB-MAPP and the Essential for Living, to accurately assess and write measurable IEP objectives
- Using Skinner's Analysis of Verbal Behavior for language/communication training
- Using teaching procedures from the science of ABA to establish instructional control, increase acquisition rates and fluency of skills
- How to teach language skills to the following developmental levels: Early (0-18 mo.), Intermediate (18-30 mo.) and Advanced Learners (30-48 mo.) and higher.
- How to use Direct Instruction Curriculums to teach reading and advanced language concepts
- How to develop Program books, daily schedules, data collection systems and organization of materials in your classrooms
- Video modeling and role plays to practice taking data and teaching procedures

*****Homework will be assigned nightly*****

You will each receive the criterion-referenced assessments, an extensive PDF manual, data sheets and materials list. The sessions will run Monday-Friday from **9:00am to 4:00pm** with a morning/afternoon 15-minute break and a 1-hour lunch break. Participants must attend the full session to receive credit.

Instructors Morgan Stockdale, BCBA and Jenn Miller, BCBA have over 20 years of experience teaching and assessing children with Autism and other developmental disabilities.

When: Session 1: June 19-23, 2023

Session 2: July 17-21, 2023

Cost: \$1,100.00 per person per session.

Cancellations: 50% refundable for cancellations made prior to June 1st, 2023. No refunds if cancellation is made after June 1st, 2023. Substitutions are allowed with re-application and CTAC approval only.

Please fill out the application on the next page and EMAIL to ctac@ctac1.com
